

## Greetings!

For all of those requesting flights to Myrtle Beach, we are thrilled to announce non-stop, all jet service on Myrtle Beach Direct Air with continuing flights to St. Petersburg, FL.

This new service is in addition to Allegiant Air's low-cost service to Orlando and Fort Lauderdale. Now we're not just "Montreal's U.S. Airport," but "Montreal's Fun-in-the-Sun Airport!"

Sincerely,

Plattsburgh International Airport
